Re: California Proposition 65 (Version 03 January 2025) Chemical Content Statement for Texwipe Products

We hereby certify to the best of Texwipe's knowledge through research of our raw materials and processes used to manufacture Texwipe's products that they are free from the chemicals included in the 03 January 2025 version California Proposition 65 Chemical List except for one product described below.

Please note:

- Texwipe has not analyzed these products for the presence of these substances, and these chemicals are not expected to be present, and
- Texwipe does not intentionally add or use any of these substances in our products or our manufacturing processes.

WARNING: Texwipe's swab product TX728 is Absorbond[®] swabs pre-wetted with 100% reagent-grade methanol, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

Texwipe is committed to producing quality products to meet the needs of our customers. Any feedback and suggestions are encouraged and should be forwarded to your Texwipe representative.

Kind regards,

Jay C. Postlewaite, Ph.D.
