Re: Per- and polyfluoroalkyl substances (PFAS) in Texwipe products

We hereby certify to the best of Texwipe's knowledge through assessing our raw materials that we do not have any intentionally added per- and polyfluoroalkyl substances (PFAS) in our products. Please note, Texwipe does not intentionally add any of these PFAS substances to our products during their manufacturing processes.

Texwipe is committed to producing the highest possible quality products to meet the needs of customers. We will continue to investigate/review PFAS-related regulations as they apply to our products.

Any feedback and suggestions are encouraged and should be forwarded to your Texwipe representative.

Kind regards,
